Time-Line for Clinical Rotation at NMCSD

90 days

• Once Consortium request is approved. Begin by reading our Welcome Aboard package.

30 days

- Upload the following documents to the secured Nursing Consortium site:
 - SECNAV 5512/1
 - Student Orientation Record (SOR)
 - Background Clearance from school

15-20 days

 AFTER we notify Instructor/Coordinator...Students proceed to Pass & Decal Office with SECNAV 5512/1 plus two government issued ID cards after being notified that base access requests have processed their request.

approx. 14 days

NMRTC San Diego will coordinate orientation date with instructor.

7 days out to 1st clinical day

 On orientation day students must have their DBID ID card, two forms of government ID.

Finished!

• You are finished! Enjoy your clinicals...At the end of the semester member must return ID badge and DBIDS ID.
